

# PT Nusantara Bumi Export

## **Global Commodity Trading & Strategic Sourcing Partner**

Delivering reliable sourcing solutions by connecting international markets with Indonesia's agricultural resources through transparent trade coordination and trusted supply networks.

## Corporate Overview

PT Nusantara Bumi Export is an Indonesian global commodity trading company specializing in natural agricultural products including honey, coconut derivatives, palm sugar, and Indonesian spices for international markets.

We operate as a strategic sourcing partner, facilitating trade between international buyers and verified suppliers, cooperatives, and processing partners across Indonesia. Our role focuses on trade coordination, supplier sourcing, quality alignment, and export facilitation.

Our objective is to deliver consistent supply solutions while maintaining transparency, efficiency, and long-term business partnerships.

## Vision

To be a trusted global trading partner connecting international markets with Indonesia's natural resources
